

# CHANGE FOR LIFE!

**Change for Life Is our opportunity to come together as individuals and churches to help women in our community find the confidence to choose LIFE!**

When you fill a baby bottle with change, you provide a woman considering abortion the chance to receive the support and medical services she needs to choose life. Because of the generosity of people like you, we saw 112 lives saved this past year! We believe that you can double that number in 2023! Will you partner with us in this easy way to make a life-saving impact?

**This year's Change for Life campaign kicks off on Sanctity of Human Life Sunday, January 22nd.**

The campaign will wrap up on Sunday, February 19th. Our goal is to bring in \$40,000! A little change from our pockets makes a BIG change in our community! Generous individuals like you make it possible for women in our community considering abortion to find the hope of Christ and the courage they need to choose life.

## There are three ways you can participate . . .

1. Pick up a bottle from the back of church. Take it home, fill it with loose change (we accept bills and checks, too!), and return it to our parish office **by February 19th**. Checks can be made out to "Lifeline Coalition." Please do not leave any bottles in the breezeway - make sure to return them to the office.
2. Participate virtually without a baby bottle.
3. Pray for abortion to be erased from our community. We have seen many women struggling with what to do regarding their pregnancy choose life when people like you have lifted them up in prayer. Prayer saves lives!

For giving and more information, please visit [www.lifelinecoalition.org](http://www.lifelinecoalition.org) or find us on Facebook
