

All Souls Day

The Feast of All Souls Day is Thursday, November 2nd, 2023. **Thursday Masses will be held at 8am at St. Joseph, 5:30pm at St. Mary, and 7pm at St. Mary (en español).** Vigil lights will be lit for all of these Mass times on November 2nd.

Families may purchase a vigil light in memory of family and friends whom you would like us as a parish to remember in our prayers, no matter when they died. The parish will provide a vigil light for all parishioners who have died in the past year. The vigil lights will be placed in the Sanctuary in an arrangement to lift all our prayers to heaven. It is a beautiful way to commemorate All Souls with the lights of all who guide us home through their own actions when they lived here with us as family and friends.

The cost of the vigil lights will be \$5.00. Help us to remember in our prayer and worship all those loved ones we have lost in our lives. Write the name of whom the candle is in memory of. One name per candle please, for example: Mr. and Mrs. John Jones, John Jones, Family members of John Jones. If you have any questions, please call the parish office. **PLEASE PRINT CLEARLY** for spelling purposes.

Return the order form either by putting it in the Sunday collection, dropping it off in the office mail slot, or mailing it to the parish office.

Orders with payment need to be turned in by October 23rd.

DO NOT put this sheet in the All Souls envelope that comes with your envelope pack. That envelope is for All Souls Masses only.
