

St. Mary's Prayer Tree - 2024

The Prayer Tree for St. Mary's is back!

St. Mary's Women's Guild will coordinate the Prayer Tree.

The purpose of the Prayer Tree is to pray for intentions brought to our attention. Anyone can contact our Lead Member who then sends out the request to our Team Leaders who in turn call the members of their team and asks them to pray for the intention.

This intention can be for an upcoming hospitalization, lingering illness, mental health issue, for comfort, change in life situation, whatever their need for prayers might be. The Lead Member will only give a first name and a brief description of the need for prayers. It is private and is not connected to the Prayers of the Faithful announced from the altar on Sunday.

We all know the power of prayer! Please take advantage of our prayers when needed.

Call Pat Carey (815) 232-1581 with your prayer request.

Her name and phone number is in the bulletin each week on the last page.
